**House Bill 4750 (As Introduced)**

**Topic:** Appliance Standards  
**Sponsor:** Representative Leland  
**Co-sponsors:** Representatives Robert Jones, Dudley Spade, Coleman Young, George Cushingberry, Matthew Gillard, Mark Meadows, Rebekah Warren, Marie Donigan, Shanelle Jackson, Joel Sheltroun, and Richard Ball  
**Committee:** House Energy & Technology

**Date Introduced:** May 15, 2007

**Date of Summary:** May 16, 2007

The bill establishes minimum efficiency standards for certain products sold or installed in Michigan. The bill applies to ten products and any other products as may be designated by the Michigan Public Service Commission (MPSC). The ten products are: 1) bottle-type water dispensers, 2) commercial hot food holding cabinets, 3) compact audio products, 4) digital versatile disc players and digital versatile disc recorders, 5) metal halide lamp fixtures, 6) residential furnaces, 7) portable electric spas, 8) single-voltage external AC to DC power supplies, 9) state-regulated incandescent reflector lamps, and 10) walk-in refrigerators and walk-in freezers. The bill does not apply to products manufactured in Michigan and sold outside the state. The MPSC has one year to establish standards after the effective date of the act. The standards would become effective January 1, 2009.
